INTERIM PROGRESS REPORT

Date of Report:	Project Number:
Project Title:	
Project/Grant Period: to	Reporting Period: to
Name of Principal Investigator:	Affiliation of Principal Investigator:

Please answer each of the following questions briefly:

1. What were the main activities undertaken during the last six months?

2. Have you faced any difficulties that hindered smooth progress of the project, up to this point? Do the problems still exist or have you overcome them?

3. If problems still exist, do you have a plan to deal with them during the next phase?

4. Have these problems incurred any changes to the aims and plans of the overall project?

5. Was the budgeted amount used according to plan during the last six months? How much has been spent? How much is committed?

6. State briefly activities that have been planned for the next six months.
