GRANT AGREEMENT NO.:

PROJECT TITLE & ACRONYM

THIS AGREEMENT (“ the Agreement”) entered into this _____ day of _____ 2008 by and between:

The Middle East Science Fund, a private shareholding company organized and duly existing under the laws of the Hashemite Kingdom of Jordan , with its registered office at _____ Amman, Jordan, represented by *[Name and Title of Signatory]* (hereinafter referred to as "MESF")

and

[Name Principal Investigator's Institution] *[Full Address including city, state, country]* (hereinafter referred to as "Grantee")

Individually referred to as “Party” and collectively as “Parties”.

WITNESSETH:

WHEREAS, MESF is a (non-profit) private shareholding company whose objective is to promote the progress of science in the Middle East;

WHEREAS, MESF provides funding and support for the applicants that have met a pre-determined criteria set by MESF;

WHEREAS, the Grantee has met the said criteria and wishes to benefit from the funding and support provided by MESF and MESF has agreed;

And WHEREAS, the Parties wish to lay out the terms and conditions that would govern their relationship

NOW, THEREFORE, the Parties have agreed as follows:

1. Preamble

The preamble hereto, Development Plan, Grant Application and attached Appendices (and any amendments thereto) shall constitute part and parcel hereof.

2. Definitions

The following terms shall have the meanings assigned to them hereto unless the context provides otherwise:

“Co-Investigator”: the person or persons, as specified in the approved in the Grant Application and shown in Appendix (1), who assist the Principal Investigator in relation to the Project.

“Development Plan”: a written plan detailing the development activities that are to be undertaken by the Grantee in relation to the Project and shall be read include the Grant Application. The Development Plan is attached as Appendix (2).

“Enable Disclosure”: a disclosure that enables one skilled in the relevant art to understand the Innovation or potential Innovation and to make and use the IP so disclosed.

“Final Financial Report”: the last financial report submitted by the Grantee pursuant to Clause (11.3) of this Agreement.

“Final Progress Report”: the last performance progress report submitted by the Grantee pursuant to Clause (11.1) of this Agreement.

“Final Reports”: the Final Progress and Final Financial Reports.

“Financial Reports”: the Interim and Annual financial reports stipulated in Clause (10.3) and (10.4) of this Agreement, and are to be submitted during the duration of this Agreement.

“Grant”: the funding provided to the Grantee by MESF for undertaking the Project and Development Plan.

“Grant Application”: the application submitted by the Grantee for funds.

“Innovation”: discoveries, developments, designs, ideas, improvements, inventions, formulas, processes, techniques, know-how and data (whether or not patentable or registrable under patent, copyright or similar statutes).

“Intellectual Property (IP)”: any and all rights or potential rights in Innovations, discoveries, materials, technologies, products, data, algorithms, software, know-how, patents, databases, copyright, trademarks, design rights, applications for any

of the foregoing, moral rights, and any other intellectual property rights whether or not registered or capable of registration and whether or not subsisting in any part of the world.

“Inventor”: the person who is the legal author or inventor of the Innovation and/or Licensed Material.

“Licensed Material”: a patent, copyright or other IP including tangible research property that is of any commercial value.

“Principal Investigator”: the contact person and signatory to this Agreement, shown in Appendix (1) of this Agreement.

“Progress Reports”: the Interim and Annual performance progress reports stipulated in Clauses (10.1) and (10.2) of this Agreement, and are to be submitted during the duration of this Agreement.

“Project”: the project detailed in the Development Plan and Grant Application, including but not limited to the activities, phases, publications and Innovations undertaken by the Grantee and funded in part or in whole by MESF.

3. Project

In exchange for the Grant specified in Clause (5) below, the Grantee undertakes to complete the Project and the Development Plan, within the duration specified in Clause (4) below.

4. Duration

4.1 This Agreement shall commence upon the date of its last signature and shall run for a period of _____ years and _____ months, from that date.

4.2 Any extension to this Agreement shall be in accordance to Clause (14.3) below.

5. Grant

5.1 The Grant provided by MESF shall be _____ USD (*insert the monetary amount in words*) in total and shall be divided into the annual installments shown in the Development Plan.

5.2 All payments will be made by MESF in USD in accordance with the beneficiary details specified in Appendix (3)

5.3 Grant funds must at all times be spent in accordance with the approved budget contained in the Development Plan.

5.4 The Grantee may obtain additional funding for the Project from sources other than MESF, provided that the Grantee submits a report containing information of amount of these additional funds, what they will be used for, the entity or individual that is supplying the funds and whether such funding infers any IP or other rights to the entity or individual providing the additional funds.

5.5 In addition to the report detailed in Clause (5.4) above, the Grantee must obtain MESF's written approval prior to receiving any funds from any other entities or individuals other than MESF.

6. Payment Procedure

6.1 The first year's budgeted amount will be remitted to the Grantee within (30) days after the signed Agreement has been received by MESF.

6.2 For the following year(s), the full budgeted amount for that year will be remitted to the Grantee after MESF has received, reviewed, and approved the following for the previous year:

6.2.1 Timely Progress Reports verified and signed by the Principal Investigator and Grantee

6.2.2 Timely Financial Reports verified and signed by the Principal Investigator, the Grantee, and the Grantee's chief financial officer; and

6.2.3 All original receipts related to the expenditures recorded in the financial report

6.3 For the final year of the Project, 75% of the Grant budgeted for that year will be remitted to the Grantee, after MESF has received, reviewed, and approved the documents listed in Clause (6.2.1) – (6.2.3) for the previous year.

6.4 The remaining 25% of the final payment will be made to the Grantee after MESF receives, reviews, and approves the Final Reports with related original receipts.

7. Project Personnel

7.1 The Principal Investigator shall be the main point of reference between MESF and the Grantee in relation to the Project. The Principal Investigator may not delegate any of his/her responsibilities in relation to the Project, to anyone other than Co-Investigator(s).

- 7.2 The Principal Investigator is responsible for the supervision of the Financial Reports, Performance Progress Reports, Final Reports and any other reports requested by MESF.
- 7.3 The Grantee is responsible to ensure that the Financial Reports, Progress Reports, Final Reports and any other reports requested by MESF, are delivered to MESF on time.
- 7.4 The Principal Investigator and Co-Investigator(s) must immediately inform MESF of any potential and actual problems and issues related to the Project.
- 7.5 The Principal Investigator and/or Co-Investigator(s), may be immediately changed by MESF by MESF submitting a written notice to that effect.
- 7.6 The Grantee may only change the Principal Investigator and/or Co-Investigator(s) or any other person or persons involved in the Project, after obtaining a prior written approval from MESF.

8. Development Plan

- 8.1 All development activities and strategies and all aspects of Innovation design, decisions to market and other such decisions, are entirely at the discretion of Grantee, and Grantee shall rely entirely on its own expertise with respect thereto.
- 8.2 Grantee shall follow and meet the milestones described in the Development Plan and Grant Application. If Grantee fails to meet the milestones and does not provide a reasonable cause for this failure, MESF shall provide Grantee with a written notice pointing out this failure. If Grantee fails to rectify this failure within six (6) months of the date of receipt of the notice, MESF shall have the right to terminate this Agreement.

9. Accounting and Book Keeping

- 9.1 Grantee shall keep accurate and complete books and records sufficient to verify the accuracy and completeness of Grantee's accounts, including without limitation inventory, purchase and invoice records, manufacturing records, sales analysis, general ledgers, financial statements, and tax returns relating to the Licensed Material, Project and any of the Grantee's activities in relation to this Agreement. Such books and records shall be preserved for a period not less than six years after they are created, both during and after the term of this Agreement.

- 9.2 Grantee shall take all steps necessary so that MESF may, within thirty (30) days of MESF's request, review and copy all of the books and records to verify the accuracy of Grantee's accounts. Such review may be performed by any authorized employee of MESF as well as by any attorney or registered certified accountant designated by MESF.
- 9.3 Without prejudice to MESF's rights under Clause (22) below, if any amounts of the Grant are spent on items not included in the Budget, the Grantee shall pay MESF the amount spent within thirty (30) days of receiving written notice thereof, in addition to any interest on outstanding amounts at the highest rate permitted by law.
- 9.4 If a Grantee spends more than the allocated amount for any item in the approved application, this over-expenditure is to be borne by the Grantee. MESF cannot be held responsible for any over-expenditure.
- 9.5 MESF through its official representatives is entitled to request from the Grantee copies of **any or all documents** related to the Project for which the Grant has been awarded. This includes financial documents, receipts, purchasing contracts, and any other material related either directly or indirectly to the Project. MESF retains the right to review financial records and carry out audits of the Projects it has supported, as it deems necessary.

10. Interim and Annual Reports

Without prejudice to Clause (7.3) above the Principal Investigator shall prepare and submit the following:

10.1 Interim Performance Progress Reports

The Grantee shall submit an Interim Progress Report, six months after the commencement of this Agreement and between Annual Reports. Click here for the **Interim Progress Report**.

10.2 Annual Progress Reports

The Grantee shall submit an Annual Progress Report, at each anniversary of the project commencement. Click here for the **Annual Progress Report**.

10.3 Interim Financial Report

The Grantee shall submit an Interim Financial Report, six months after the commencement of this Agreement and between Annual Financial Reports. Click here for the **Interim Financial Report**.

10.4 Annual Financial Report

The Grantee shall submit an Annual Financial Report, at each anniversary of the Project commencement. Click here for the [**Annual Financial Report**](#).

11. **Final Reports**

11.1 The Grantee shall submit the Final Progress Report and Final Financial Report within (60) days after the completion or early termination of this Agreement.

11.2 The Final Report must Enable Disclosure and includes a description and listing of all IP rights concerning the Innovations and the Project. Click here for the [**Final Progress Report**](#).

11.3 The Final Financial Report shall include full details of how the Grant was spent during the duration of this Agreement. Click here for the [**Final Financial Report**](#).

12. **Review of Reports**

12.1 Format and content requirements for all the reports in Clauses (10) and (11) above, shall be reviewed by MESF from time to time and may be modified at any time by MESF.

12.2 MESF shall endeavor to inform the Grantee of changes in reporting requirements by any means of communication available to MESF prior to the reporting deadlines. The Grantee shall be responsible for reviewing and complying with all reporting requirements that are in effect at the time the reports are due.

13. **General Rules Governing Reports**

13.1 Apart from Progress Reports and Financial Reports, MESF reserves the right, if deemed necessary at any time throughout the duration of the Project, to request that the Grantee to supply specific information about the Project and/or additional detailed progress reports. Such requested information and/or additional detailed progress reports shall contain all the information requested by MESF and be submitted by the Grantee to MESF within one week of MESF's request.

13.2 Without prejudice to Clause (17.1) below, all the reports in Clauses (10), (11) and (13.1) are confidential. However, MESF retains the right to consult any expert(s) to review the reports and evaluate the results of the Project and Grant

spending or disclose the reports according to Clause (17.1) below. MESF is not liable to any damages resulting from the disclosure of the content of the reports to such third parties.

13.3 Failure to provide timely and complete reports will be construed as a breach of this Agreement and may result in its termination, reimbursement to MESF of unexpended and expended funds, and cancellation of all future funding.

14. Re-Budgeting, Carry-Over and Extensions

14.1 Up to 5% of a single year budget may be reallocated across budget categories, if deemed necessary by the Grantee, without prior notification to MESF. Total reallocations must not exceed 10% of the Grant.

14.2 Any unexpended funds may be carried over from one year's budget to the next. A full justification for the carry over of funds, amount of the funds along with details of how the amount will be used in the following year must be provided. Any un-carried over funds from the Grant shall revert back to MESF.

14.3 A one-time extension of a maximum period of (6) months, after expiry of this Agreement, is allowed provided that MESF agrees to same, and the Grantee submits the following documents:

14.3.1 A written request for a (6) month extension and/or additional funds with justifications and details of the unspent Grant amounts or required additional amounts and how they will be used. This request should be received by MESF at least four months before the expiry of This Agreement

14.3.2 An Annual Progress Report

14.3.3 An Annual Financial Report

15. Ownership of Research Equipment

15.1 Approved equipment purchased for the purpose of conducting research supported by MESF is intended for the use of the Grantee, and his or her staff and collaborators in relation to the Project.

15.2 All equipment and supplies shall remain with the Grantee even after the completion of the Project and expiry of this Agreement, unless the Agreement is terminated prior to its expiry, by either Party.

15.3 Assemblies and setups consisting of different components are treated as one-piece equipment.

16. Intellectual Property Rights

16.1 Grantee shall disclose in writing, within two (2) months, to MESF all Innovations made, conceived, reduced to practice, or learned by the Grantee (either solely or jointly with others), or which result from tasks assigned to the Grantee that are related to MESF's funded research, or from the use of premises owned, leased, or otherwise acquired by MESF.

16.2 Upon the creation of any potential Innovation, Licensed Material or IP right by the Grantee in relation to the Project, Development Plan or this Agreement, the Grantee and MESF shall enter into a 'Revenue Sharing Agreement' that regulates any potential sharing of revenue that may be generated by the Innovation, Licensed Material or IP right. Any commercialization of the Innovation, Licensed Material or IP right by the Grantee, may not be approved by MESF until the above mentioned 'Revenue Sharing Agreement' is executed.

16.3 If Grantee wishes to file a patent application or establish any copyright or other Intellectual Property right on the Innovation, MESF must be informed of this and provided with a copy of all documentation relating to the filing or establishment of right. This documentation must Enable Disclosure for each Innovation. MESF undertakes to protect the confidentiality of such documentation. MESF shall have the right to approve filing or establishment of right; this approval will not be unreasonably withheld. If MESF does not respond within two (2) months, Grantee is free to pursue such filing or pursue establishing such Intellectual Property right.

16.4 Grantee shall own any Intellectual Property rights that result from MESF funded research.

16.5 If Grantee wishes to enter into a license, lease, sale, assignment, or revenue-generating agreement relating to the Innovation, such an agreement must be submitted to MESF for review and approval prior to execution.

16.6 If Grantee is an institute, it shall ensure that it develops a policy that addresses Intellectual Property issues including employment assignment agreements by current and departing employees addressing Innovation.

16.7 If the Grantee already has established an applicable policy for patent, intellectual property, or technology transfer, MESF shall comply with that policy with the following conditions:

- 16.7.1 MESF shall be granted non-exclusive, royalty-free license to use the patent, copyright or other Intellectual Property rights and research property that result from research funded by MESF for non-commercial research with the right to grant sublicenses for non-commercial research purposes.
- 16.7.2 MESF shall share the revenues (net of any direct out-of-pocket patenting, registering for copyright or obtaining other Intellectual Property right, licensing costs and inventors shares) obtained from the Innovation by the Grantee. The amount of MESF sharing of net income will be directly proportionate to the proportion of its support for the Project or research that gave rise to the Innovation, but not exceeding 50% of the total net income earned.
- 16.7.3 If MESF covers the patent application or copyright registration fees or other fees required to obtain protection on Intellectual Property that result from a research funded by MESF, it shall receive 50% of the revenues.
- 16.7.4 If application, registration or other fees as mentioned in article 16.7.3 above are shared with the Grantee, a special agreement will be prepared and signed by both parties for that purpose, illustrating the rights and responsibilities of each party.
- 16.7.5 No patent or patent application, copyright or other Intellectual Property protection shall be abandoned without prior notification to MESF. MESF shall have the right to prevent abandonment and pursue obtaining or maintaining rights on those patents, applications, copyrights or other Intellectual Property rights at its own discretion and at its own expense. Notwithstanding Clause (16.4); ownership of all rights pursued under this Clause (16.7.5) shall belong to MESF.
- 16.8 When Grantee licenses any Licensed Material to another party for commercialization, after obtaining the prior written consent of MESF, the Grantee shall have clauses in the license that obligate the licensee to make every effort to commercialize the Licensed Material under similar terms and timing as Grantee's obligations under Clause (8.3).
- 16.9 If Grantee and/or the licensee have not taken necessary steps to bring the Licensed Material to practical or commercial application within (3) years of the effective date of the licensing agreement and are not able to provide reasonable cause for this delay, MESF retains the right to any or all of the following remedies: (i) seek licensing through its own means, (ii) demand canceling of any outstanding licenses (iii) demand granting of licenses on terms that are deemed reasonable under the circumstances and (iv) notwithstanding Clause (16.4) demand assignment of ownership of all patents, patent applications, copyrights or any other Intellectual Property

rights that result from research funded by MESF and demand that all documentation that relate to the research funded by MESF be handed to a representative from MESF. If other parties have shared in funding the research; MESF and those parties will agree on the proper remedies as per this Clause (16.9) or any other remedy that the different parties agree to be appropriate in light of the circumstances.

16.10 If the Grantee has not established an applicable patent, Intellectual Property, or technology transfer policy and procedure for administering Innovations resulting from MESF supported research and notwithstanding Clause (16.4); MESF shall retain the right to take any course of action it deems fit, including:

16.10.1 File for a patent or a copyright application or other registrable Intellectual Property right under similar statutes on the Innovation resulting from the research funded by MESF. In such cases the Grantee shall execute all necessary documents to assist in the filings and the assignment of rights.

16.10.2 Decide whether or not to file for patent or copyright application or other registrable Intellectual Property rights under similar statutes on the Innovation resulting from the research funded by MESF.

16.10.3 Release the Innovation's resulting invention to the Inventor, or a person or institution designated by the Inventor.

16.10.4 Submit the Innovation to any organization of its choice for administration and licensing.

16.10.5 Decide on the means for licensing or use of the Innovation, at its discretion.

16.10.6 Determine, by negotiation, the fair share of royalty income to be paid to the Inventor, Grantee, MESF, and any other parties that contributed funds to support the Innovation.

16.11 MESF retains the right to participate in all revenues that may be generated by patenting, copyrighting, or commercializing the Innovation derived from research supported by MESF and the Project. No provision in this Agreement may be construed as a waiver of such rights. In case of conflict between terms of this section and existing Grantee's policies, MESF will negotiate in good faith to arrive at a mutually satisfactory disposition of the Innovation rights.

16.12 Failing a mutually satisfactory disposition of the Innovation rights under Clause (16.11) above, the Grantee shall assign all Intellectual Property rights and ownership of the Innovation and Licensed Material to MESF.

17. Announcement, Publication & Dissemination of Results

17.1 MESF may release Project related information, including pictures of the researchers and their research work, research summaries, Performance Progress Reports and Final Reports, to the general public and news media.

17.2 The Grantee may not publish any research or works, unless such publication does not affect the registration requirements of any IP right and such publication obtains the prior written approval of MESF.

18. Acknowledgement of MESF as a Funding Source

Grantee must acknowledge MESF as a funding source on all publications related to the Project in a clear, unambiguous and readily-identifiable manner, using the following wording:

"This research was supported by a grant from the Middle East Science Fund, Jordan, under Grant no. _____".

19. Relationship between the Parties

Nothing in this Agreement shall give rise to any partnership or joint venture or the relationship of principal and agent and/or relationship of employer and employee between MESF and Grantee and/or Principal Investigator or Co-Investigator(s).

20. Indemnity

20.1 Grantee is completely responsible for all aspects of the research, investigation and administration of the Project and corresponding Development Plan.

20.2 In accordance with the institutional, local, and national laws that govern the Grantee, the Grantee will indemnify and hold MESF harmless from and against any and all costs, losses, or expenses, including reasonable lawyer's fees that MESF may incur due to the negligence or misconduct of the Grantee, or any third-party claim in connection with the Project supported by MESF.

20.3 To the maximum extent permitted by law, Grantee shall indemnify, hold harmless and defend MESF, its trustees, officers, employees and agents against any and all claims, suits, losses, liabilities, damages, costs, fees and expenses (including reasonable attorneys' fees) resulting from or arising out of the exercise of the rights granted under this Agreement. This indemnification shall include, but is not limited to, any and all claims alleging products liability.

21. Ethical Standards

The Grantee shall adhere to the ethical standards set by the MESF in accordance with MESF's by-laws and as specified in the Grant Application. In the event the Grantee violates any of the above mentioned ethical standards, MESF retains the right to take any action it considers necessary with regard to the Grant and Project, including but not limited to the termination of this Agreement.

22. Termination:

22.1 This Agreement shall take effect from the date of its signature and shall end upon the expiry of this Agreement as specified in Clause (4) above.

22.2 This Agreement may be terminated, by MESF, by submitting a one month prior written notice.

22.3 Without prejudice to MESF's other rights and remedies, in the event this Agreement is terminated under Clause (22.2) above, MESF shall cancel all future payments of the Grant to the Grantee and the Grantee shall immediately return to MESF any unused Grant funds and equipment MESF owns under Clause (15.3).

22.4 Without prejudice to MESF's other rights and remedies, should the Grantee or any person acting on behalf of the Grantee, use the Grant for any purposes not designated in the Development Plan, or approved by MESF and/or spend the Grant in whole or in part in a negligent or fraudulent manner, MESF may immediately terminate this Agreement.

22.5 Without prejudice to MESF's other rights and remedies, in the event the Grantee defaults in the timely payment of any monies due to MESF under this Agreement or any subsequent revenue sharing agreement, the timely submission to MESF of any reports requested under this Agreement, fails to actively pursue the Development Plan, or commits any breach of any other Clause herein contained, and Grantee fails to remedy such breach or default within thirty (30) days of being notified of same by MESF, MESF may terminate this Agreement immediately by the submission of a written notice to the Grantee.

22.6 Upon the termination of this Agreement, Grantee shall remain obligated to provide accounts, return any unused funds and to provide payments earned up to the date of the termination.

22.7 In the event the Agreement is terminated under Clauses (22.4) and (22.5), above, MESF shall cancel all future payments of the Grant to the Grantee and the Grantee shall immediately return to MESF any unused Grant funds and equipment MESF owns under Clause (15.3), in addition, the Grantee shall pay the full amount of the

Grant less depreciated value of equipment in Clause (15.3) and less any unused funds returned to MESF

22.8 Notwithstanding Clause (16.4) and upon termination or expiry of this Agreement, if MESF is the only source of funding, ownership of all IP rights and Innovation resulting from MESF-funded research shall belong to MESF. Grantee will ensure that all needed documents are executed to hand over all rights in MESF-funded IP and all documents relating to the research to MESF. If MESF is not the only source of funding, a separate Agreement shall be signed to preserve the rights of the different parties in proportion to their funding.

23. Governing Law & Dispute Resolution

23.1 This Agreement shall be governed by, interpreted and construed in accordance with the laws of the Hashemite Kingdom of Jordan.

23.2 In case of a dispute arising out of this Agreement, the Parties shall exert efforts to resolve the dispute amicably and agree not to commence legal action until attempting to resolve their dispute through fair negotiation or mediation.

23.3 If after (3) months of attempting to settle disputes under Clause (23.2) above, the dispute remains unresolved, the Parties may resolve to legal action. All disputes arising out of or in connection with this Agreement shall be settled exclusively by the competent courts of Amman (Qasr Al Adel), and the parties hereto hereby irrevocably and unconditionally submit to the jurisdiction of the said courts.

24. CONFIDENTIALITY

Grantee agrees to treat as proprietary any and all matters and information communicated to it by the MESF or anyone acting on behalf of MESF or any information related to the Innovation, Licensed Material or related IP rights, unless otherwise provided for under this Agreement. The Grantee further agrees not to disclose any confidential information given by MESF or any other party on behalf of MESF. Termination of the Agreement shall not excuse the Grantee from this obligation. Any confidential papers related to the Project or MESF or materials shall be returned to MESF immediately in the event of the Agreement being terminated for any reason.

25. No Implied Waivers

The failure of any party at any time to require performance by the other party of any provision hereof shall in no way affect the right of such party to require such

performance at any time thereafter. Nor shall the waiver by any party of a breach of any provision hereof constitute a waiver of any succeeding breach of the same or any other provision or constitute a waiver of the provision itself.

26. Entire Agreement; Amendments

This Agreement and the Attached Annexes, sets forth the entire agreement and understanding of the parties relating to the subject matter contained herein and supersedes all prior discussions among the parties, and none of the parties shall be bound by any previous agreements, negotiations, commitments or writing relating to the subject matter contained herein except as expressly provided in this Agreement. This Agreement may not be amended or supplemented in any manner except by an instrument in writing signed by a duly authorized representative of each of the Parties.

27. Miscellaneous

27.1 If any provisions of this Agreement are or shall conflict with the laws or regulations of any jurisdiction or any governmental entity having jurisdiction over the Parties or this Agreement, those provisions shall be deemed automatically deleted, if such deletion is allowed by relevant law, the remaining terms and shall remain in full force and effect. If such a deletion is not so allowed or if the Clause is integral to the Agreement, the Parties agree to substitute new terms as similar in effect to the deleted Clause(s) and allowed under the applicable laws and regulations.

27.2 All notices and communications shall be in English and in writing and addressed to the parties at the relevant address stated at the beginning of this Agreement (or such other address as may be notified from time to time).

27.3 None of the rights or obligations under this Agreement may be assigned or transferred without the prior written consent of the other Party.

27.4 Termination or expiry of this Agreement does not affect any terms, rights or obligations that, by their nature, survive such expiry or termination.

27.5 Notwithstanding anything provided herein to the contrary, the provisions of this Agreement which by their terms have effect following the termination of this Agreement shall survive such termination.
